International Students Welcome

Programs Open To The Public

Summer Classes for 2018:

Science | Technology | Engineering | Math
Academic Support | Sports Activities | Performing Arts

Strategic Magic

This magical class promotes public speaking through the performance art of magic! Students will learn 1-2 magic tricks each week and craft some of their own magic gear. Curriculum designed to fit the needs of all skill levels. Strategic Magic Teaches and Helps Children with: Performance, Public Speaking, Gaining Confidence, Competing Well, Visualizing Results, Developing Patience & Having Fun!

Engineering with Legos

This class will get students working with LEGO®s while teaching a variety of engineering topics. Children will learn organizational and fine motor skills, as well as teamwork and other life strategies! This course will help students discover gears, pulleys and more. Some Concepts Taught: Observation, Gears, Reasoning Skills, Wheels and Axles, Critical Thinking, Levers and Pulleys.

JWM Global Education, Inc.
Food Agreement 20__-20__

I/We _____, being the legal Parent(s)/Guardian(s) of _____, a prospective student of the JWM Global Education, Inc. (JWMGEI) for the 20__-20__ hereby understand and agree that:

Since the JWMGEI goal is to teach advanced material, the JWMGEI teachers need learning-ready children. Research suggests food high in sugars, preservatives, artificial sweeteners and/or flavor enhancers can cause behavioral difficulties in children and make learning difficult. Also, research suggests children tend to be happiest and perform the best when they are fed a balanced diet that includes protein, fruit, vegetables and carbohydrates. To help ensure my child is ready to learn:

1. I will provide food and drink for my child's snack(s) and lunch.
2. I will not send food or drink that has more than 6 grams of added sugars per package label serving (including cookies, candy, soft drinks, fruit juice, etc.). Added sugars include cane sugar, beet sugar, corn syrup, high fructose corn syrup, fructose, molasses, honey, maple syrup, cane juice, etc.
3. I will not send food with artificial preservatives, artificial sweeteners, artificial colors, artificial flavorings, flavor enhancers and food additives for snacks or lunch. Artificial preservatives, flavorings and flavor enhancers include, but are not limited to, BHA, BHT, TBHQ, Splenda, Aspartame (NutraSweet), Saccharine, and MSG (monosodium glutamate).
4. I/we will only send unopened packages that include nutritional information on the outside of the packaging (or a copy of the label), if an item COULD have preservatives or more than 6 grams of added sugar. This step keeps JWMGEI teachers from spending an inordinate amount of time trying to figure out if something meets the policy. Items in this category include applesauce, cakes (including banana, zucchini and other sweetened breads), cookies (of any type, small or large), granola/cereal bars, Cheetos, Doritos, other flavored chips, yogurt, and fruit juice.
5. I will not allow my child to bring gum to school.

I/We understand that admittance of my/our child to the JWMGEI for the 20__ - 20__ school year, enrollment of my/our child in the JWMGEI for the 20__-20__ and attendance of my/our child at the JWMGEI during the 20__-20__ is contingent upon my/us signing this Food Agreement.
