Camp Galileo will take place on the
RSIOC Costa Mesa campus from July 8 – August 16.
Check out Camp Galileo's Website for more
details and information: Galileo-camps.com

Summer Camp (ages 12mo-5yr) & Academic Workshop (ages 7+)

In addition to Mandarin and Spanish language immersion classes, campers will participate in sports camp and space themed activities like building rockets and satellites, understanding the jobs of astronauts, space robot rescue missions, green screen adventures, and more!

Session I (June 24 – July 19)

Session II (July 22 - Aug 16)

Language Exposure Camp

This summer RSI will host a 2-week language exposure camp where students will be exposed to different cultures through language immersion classes in Mandarin, Spanish and English. From sports camp, to coding and robotics enrichment classes, every day will be jam-packed with fun and engaging activities!

**2-Week Language Exposure
Camp (June 24 – July 3)**
